Z650 FEATURES

KTRC (Kawasaki TRaction Control)

Kawasaki's advanced traction control system provides both enhanced sport riding performance and the peace of mind under certain conditions to negotiate low-traction surfaces with confidence. Two modes allow riders to adjust settings to suit the riding situation and rider preference. Riders may also elect to turn the system OFF. For 35 kW kit models, KTRC offers one mode (plus OFF).

Smartphone Connectivity

A Bluetooth chip built into the instrument panel enables riders to connect to their motorcycle wirelessly. Using the smartphone application “RIDEOLOGY THE APP,” a number of instrument functions can be accessed, contributing to an enhanced motorcycling experience.

Stronger Sugomi Presence

With a sharper, more compact cowl and more muscular radiator shrouds, the new Z650 boasts a stronger sugomi presence.

TFT Colour Instrumentation

The new alldigital TFT colour instrumentation – a Kawasaki first in the 650cc class – gives the cockpit a high-tech, highgrade appearance. The new meter also offers additional features unavailable on the previous model.

Z650 FINANCE

Flexible payment options to suit your budget
