STELVIO 1000 FEATURES

An unmistakable design

Solid, compact and powerful, the Moto Guzzi heritage can be seen in every detail. From its iconic "Compact Block" V-Twin engine to its unique single-sided swing-arm and its distinctive eagle-shaped DRL, each element is designed to bring into being Stelvio.

Born to travel

Stelvio was designed to allow you to make the most of every ride and expand your horizons without boundaries, thanks to its 21-litre tank with a range of over 400 km. At its core is the tubular steel frame that facilitates handling of the motorbike, obtaining the optimal compromise between agility and stability.

No road is off limits

Comfort is found in every detail of the Stelvio and no road is off limits, regardless of the load. Thanks to the 19-inch front wheel, 170-mm suspension travel, a spacious saddle sitting just 830 mm off the ground, electrically adjustable windshield and bags with built-in clips.
